

learn zulu!

Zulu is one of the languages spoken in South Africa; along with English, Afrikaans, Ndebele, Xhosa, Sepedi, Southern Sotho, Tswana, Swati, Venda, Tsonga. Zulu is the most widely spoken language in South Africa, where it is an official language. More than half of the South African population are able to understand it, with over 9 million first-language and over 15 million second-language speakers
