

ACTIVITIES

SURFING

We are working in partnership with Troggs Surf School and their owner Andy Hill. Andy is a member of Portrush Presbyterian Church and is passionate about God and surfing. Troggs will be working with us providing their professional instructors, boards, gear and facilities to accommodate the young people over the weekend. It doesn't matter if you have been on a surf board before or not, as long as you are willing to have a go. It is advised that you can swim but please be aware we will not be going out into deep water with the young people over the weekend. We plan to have two surf sessions available for the young people (and leaders over the weekend)

WORKSHOP - SANDCASTLE COMPETITION!

With golden sandy beaches we will be battling it out in our groups to produce the best sandcastle EVER! There will be an amazing prize for the winning team

WORKSHOP - SCAVENGER HUNT AROUND THE TOWN - PORTRUSH ONLY!

We will be sending the young people in groups around the town to find various objects and to solve various clues! This will provide much entertainment for all involved!

WORKSHOP - TRADE GAME

As part of the weekend we will also be exposing young people to issues of poverty around the globe. We will do this using interactive trading games which again will involve group work and competing against each other!

WORKSHOP - ARTS & CRAFTS

There will also be an opportunity for the young people to explore their creative side through arts and crafts!

LATE NIGHT PROGRAMME - "WIPE OUT"

Following the theme of "relaxed surfers" we will be putting on a chilled late night programme to include music, games, movies, speakers and tuck shop! We will be creating space for young people to engage with each other and build relationships.
