advent art challenge

23 daily reflections
& artistic prompts

get creative

This year, Advent begins on Sunday 3rd December and ends on December 24th.

For each day of advent this December, we have a word and Bible passage for you to take some time and reflect on. After reading the passage, draw, paint, or write in the daily boxes attached, or take a photograph of what the word means to you on that day.

You don't have to be the world's greatest artist to do this challenge, nor do you need to devote hours of your day to it - so why not take some time this advent to stop, reflect and respond to God creatively in this season!

You can share your creations or keep them for yourself, you could invite your family or friends to take part and share what resonates most with each of you as you spend time creating in response to God's word.

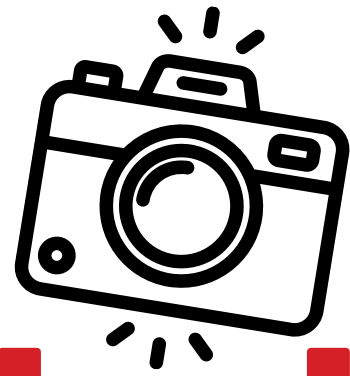

Don't be afraid to just get creative!

You can tag us in photos of your creations on Instagram **@imycd** or use the hashtag **#imycadvent**

Maybe drawing isn't your thing and you'd rather photograph your words - that's okay!
