holiday bible club

The 3 day Holiday Bible Club (HBC) offers a unique opportunity for children to explore and express their faith through creative art.

The children will be led by the Creative Team and encouraged to delve into themes of Faith, Hope, and Love.

In addition to the art activities, the HBC will incorporate music, dance and drama. The Team will receive training in drama workshops, enabling them to creatively convey Bible stories and teach memory verses through interactive drama sessions.

At the end of the HBC, the children will showcase their artwork, drama performances and songs learned during the week at the "Creative Gathering" for the community and their families.

youth drop in

An evening Youth Programme (Drop-in) will run for three nights for the teenagers in Donegal town.

These sessions will feature food, music, games, and storytelling, providing a welcoming space for teenagers to explore faith, hope, and love.

There will be opportunities to showcase the Team's creative talents here - open mic night, live painting, spoken word sessions and more!

Local volunteers will lead activities, fostering connections and sharing testimonies to inspire young attendees on their faith journeys.

team time

Beyond the local impact, this summer mission offers opportunities for the development of young leaders from across the Connexion.

Team time is dedicated to YOUR learning, growth and personal development. It provides opportunities to grow in your leadership skills, teamwork, and problem-solving abilities. Learning to step out of your comfort zone, while connecting with new friends who are also keen to grow.

We will have daily devotionals led by the team, bible studies, times of creative prayer and worship, as well as specific training to help YOU to grow in confidence in ministry.

As well as having a bit of craic!
