## **MWI Prayer**

Almighty God, Lord of power and love,  
Saviour who died for our sins and rose again,  
Living Holy Spirit

Thank you for the gift of life,  
Thank you for the offer of salvation,  
Thank you for surrounding us with love  
and promising your power.

Help us as Methodist Women in Ireland  
to honour you in our lives,  
to rejoice in our salvation,  
to share your love with others  
and to go forward in your power to fulfil your will daily.  
Help us to encourage one another,  
to pray for one another,  
and together to reach out to others  
both here in Ireland and throughout the world.

In the name of Jesus Christ our Saviour.

Amen.

## **Brief History of Methodist Women in Ireland**

All Methodist women in Ireland, who agree with the Mission Statement “**To know Christ and to make Him known**” and Aims of Methodist Women in Ireland, are members of the organisation.

At the Conference of the Methodist Church in Ireland in July 1972 a new women’s organisation known as the Methodist Women’s Association was formed. It was brought about, after much thought, discussion and prayer, by a working party set up by the Women’s Department of the Irish Auxiliary to the Methodist Missionary Society, and brought together the Women’s Department, Young Women’s Groups, Women’s Fellowships and other existing groups.

Over 25 years later, in 1998, another Working Party was set up at the request of the Central Committees of the Methodist Women’s Association and the Young Women’s Association of MWA to address shared concerns.

In order to open the discussion widely a questionnaire was made available to all women within Methodism. The results from that questionnaire/survey confirmed a desire for:

- A women’s organisation with flexibility to accommodate a variety of situations in which friendship and fellowship are seen as key factors;
- A uniting of MWA and YWA;
- Maintenance of the strong link with the World Church, together with an involvement in local community needs.

A one-day workshop ‘Exploring Possibilities’ was held for MWA and YWA Central Committees together, led by an external facilitator to help us look at our situation in a new way. This workshop was then replicated around the districts to give a wider participation in discussion. All districts in the north held workshops, and smaller groups met for discussion in the south.

Following further feedback from the Districts, a proposal was drawn up and presented as a Notice of Motion at Conference 2001 and ratified at Conference 2002, coming into being at Conference 2003. Thus Methodist Women in Ireland was formed!

This Notice of Motion, now in the Manual of Laws of the Methodist Church in Ireland, allows for flexibility within structure. The Manual of Laws governs the structure at Central and District level. While adhering to the Mission Statement and aims of MWI this flexibility at local level allows a freedom to cater for the very diverse situations throughout the Connexion, north and south, east and west, urban and rural.

## **Finance**

The MWI is responsible for the collection and administration of the Easter Offering throughout Ireland.

The General Treasurer operates two bank accounts with the name Methodist Women in Ireland - one in Euro and one in Sterling.

The General Treasurer receives from Districts all income designated for mission outreach and forwards this to the Treasurer of MMS(I). This includes all money received from Easter Offering, Missionary Boxes, Gift Aid, Tax Relief, Allocated Gifts and any money not used in General Fund.

Money should be sent to the District Treasurer twice each year, by mid June and mid November. This is then forwarded to the General Treasurer by 30<sup>th</sup> June and 30<sup>th</sup> November each year.

The General Treasurer is responsible for administering the General Fund from which all necessary expenses of the organisation in Ireland are met. This includes subscriptions to organisations at which MWI has representation. It also includes expenses of delegates who represent MWI at various events and committees, including the Methodist Conference.

The Accounts shall be audited and printed in the Conference Agenda.

## **World Federation of Methodist and Uniting Church Women**

World Federation and MWI share the same aim of “To know Christ and to make Him known”.

Within Ireland the working group that deals with the business and concerns of the World Federation is known as the World Federation Unit Standing Committee of the Methodist Women in Ireland.

This Unit Committee comprises: the Unit Correspondent; the World Federation Area Officer resident in Ireland; any World Officers resident in Ireland; the Unit Treasurer; one representative from each of the 8 District MWI Executives; and the MWI General Secretary, General Treasurer and World Mission Secretary. The President of MWI is always the President of the Irish Unit of World Federation.

At Connexional level, the World Federation Unit Correspondent is a member of Central Committee and reports to it. Within our World Federation Area (Europe – Britain and Ireland) we alternately supply the Area President or Vice-President, who also attends Central Committee.

At District level, there is one World Federation representative who is responsible for liaising between her MWI District Executive and the World Federation Irish Unit. It is suggested that all branches or circuits have a regular (e.g. annual) World Federation meeting as part of their programme. It is also recommended that each District provide an opportunity for a report on World Federation to be given, for example at District Rallies or ‘Special Days’. This will allow each World Federation District representative to share some of the current concerns and activities going on within World Federation.

World Federation also offers an annual study day, based on the topics agreed as Resolutions, or forming the Action Plan, as a result of the most recent quinquennial Assembly. The material for these study days is prepared by women from around the world and gives us an opportunity to draw alongside our sisters in Christ.

World Federation provides MWI with another means of insight and connection with the worldwide church, and an opportunity to support our sisters – and brothers – in Christ around the globe.

### **Expenses in relation to World Federation**

1. MWI is responsible for the Unit Correspondent’s travel expenses to attend World Federation Assemblies and European Seminars.
2. World Federation is responsible for all the Area President or Vice-President’s expenses to attend World Federation assemblies and seminars, and the accommodation of the Unit Correspondent. MWI pays some travel costs for the Area President or Vice-President to attend World Federation Assemblies.
3. MWI will pay the expenses ie travel, fees and accommodation of the Unit President should she wish to attend the European Seminar.
